

**Gov HO3: Reflection**

Question	Reflection
<p>Think of a time when you consulted with the community?                      What was this for?                      Were there any groups of people who were not consulted?</p>	
<p>How might you reach these families or students in the future?</p>
